OFFICE OF THE COMPTROLLER TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE,

No 488/T.A.

Bangalore, dated 20 April 194 2

From

M. VIRARAJA URS, Esq., B.A., B.L.,
Comptroller to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

To

Rajasevaprasakta
A.N.Raghavachar Esq., M.A.,
Financial Secretary to Government
Bangalore

Sir,

I have the honour to state that in G.O. No.D.586-57/Edn.785-29-4 dated 14th July 1930, the teachers in the Education Department have been permitted to draw mileages for road journeys irrespective of the distanc travelled by them, when they attend the final examination for Teachers' Certificate exempting them from the operation of Art.591(ii) M.S.R., Vth Edition, which corresponds to Art.523(ii) VI Edition. I request that necessary correction slip to Art.523 M.S.R. may kindly be caused to be issued. A copy of letter No.Fl.2628/41-42 dated 16-3-42 from the Financial Assistant to the Director of Public Instruction in the matter is enclosed for reference.

I have the honour to be,
Sir,
Your most obedient servant,

for Comptroller

1) Submitted with a draft for orders.
30/6 2) Mr. Gupta's order pertains to "irrespective of distance" mis-point in Dept is for orders
30-6 As a general principle, distance within 5 miles is not taken into a/c. The concession proposed is analogous to that allowed to sub-Registrars under the same Article

3) The G.O. of 1930 does not lay down any such restriction & does not seem to be appropriate to impose it now on the present reference.

4) Draft for consideration

9) With due deference to the orders passed in the previous page, the following note is submitted for consideration.

6) Article 523 of the N.S.R. deals with the stipulate certain conditions under which an officer is allowed to draw mileage in lieu of Daily Allowance ?

The teachers, being executive officers are, under Sub-Clause (ii) of Article 523, eligible to mileage only if they travel a distance of more than 20 miles in length. On the recommend of the D.P.I. exemption from the provisions of Article 523 (ii) was granted to teachers attending final examination for Teachers' Certificates. The G.O. d. 14-7-36, permits the teachers to draw mileage for a journey less than 20 miles. But it does not permit mileage for distances less than 5 miles because the minimum distance required to be because under Article 516 of the N.S.R. no travelling allowance, other than a permanent monthly allowance, is admissible

Flag F

The What is the meaning of the proposal of the D.P.I. approved by Govt. that the teachers may be permitted to draw mileage at the rates allowable to them irrespective of the distance they have to travel " ?

for any day in which an officer does not reach a distance exceeding 5 miles from headquarters or return thereto from a distance exceeding 5 miles.

7) Article 523 is circumscribed by the Article 516. As such the G.O. of 14-7-30 is limited by the general clause, with the result that for journeys of less than 5 miles there can be no T.A. hence no mileage. ~~Exemption to be laid on the G.O. exemption.~~ The G.O. exempts the teachers from the operation of Article 591 (ii) {corresponding to the present Article 523 (ii)}. Emphasis is not to be laid on the words 'irrespective of the distance they have to travel' occurring in the G.O. of 14-7-30 as it is against the ~~G.O.~~ spirit of the G.O., as well as the general clause governing T.A.

8) If the above view is acceptable then, no T.A. is permissible

10) If there be no objection, the D.P.I. may be consulted as regards the intention of his recommendation on which the G.O. of 14th July 1930 is based.

21-7

11) As far as I am able to understand, the wording of the G.O. dt. 14.7.30 is specific in permitting mileage "irrespective of the distance" travelled. The present reference from the Comptroller is only for incorporating in the M.S.R. a practice already authorised by a G.O. and in force for 12 years, ~~and it is not desired~~ and no question of change in practice is called for in this connection.

12) If necessary, the Comptr. may be consulted, as how the G.O. is being interpreted ~~and~~ and acted upon all these years (& whether the restriction of 5 mile limit is being enforced in these cases)

In the light of the above discussions it is for consideration whether the Govt order of 14-7-30 be modified in consultation with the Administration Secretariat.

May be refd to Govt for amending the G.O. in the first instance & then retransmitting the file for issue of the slip to the S.R.

Vrs 10/9 Br 10.9.

No formal amendment of the G.O. need be taken up at this distance of time, as in practice the Audit has been enforcing the restrictions of Art 516 M-S.R. The point may be made clear while issuing the amendment to Art 523 M-S.R., & the admn dept. also enforced.

Dyse 11/9

The removal of restriction contemplated in G.O. of July 30 is only with reference to Art. 523 (ii) & not of Art. 516. M.S.R.
